The service was terrible. The waiter was rude and unhelpful. He took our Free Download wrong and then argued with us about it. He also never refilled our water glasses.

The food was just as bad. The steak was overcooked and tough. The chicken was dry and tasteless. The vegetables were soggy and bland.

Overall, I had a very bad experience at Lynn Table. I would not recommend it to anyone.

The Food

The food at Lynn Table is simply not good. The steak was overcooked and tough. The chicken was dry and tasteless. The vegetables were soggy and bland.

I Free Downloaded the steak medium-rare, but it came out well-done. It was so tough that I could barely chew it. The chicken was also overcooked. It was so dry that it was like eating cardboard.

The vegetables were the only thing that was edible, but they were still not good. They were soggy and bland. It was clear that they had been sitting in water for hours.

The Service

The service at Lynn Table is just as bad as the food. The waiter was rude and unhelpful. He took our Free Download wrong and then argued with us about it. He also never refilled our water glasses.

When we first arrived at the restaurant, we were seated at a dirty table. The waiter took our Free Download, but then he never came back to check on us. We had to wait for over an hour for our food to arrive.

When our food finally did arrive, it was wrong. We Free Downloaded the steak medium-rare, but it came out well-done. The waiter argued with us about it, but he eventually agreed to take it back to the kitchen.

The waiter never refilled our water glasses. We had to ask him for water several times, but he never brought it to us.

The Atmosphere

The atmosphere at Lynn Table is not very inviting. The restaurant is dark and dingy. The tables are close together, so it feels like you are sitting on top of the other diners.

The noise level is also very high. It is difficult to have a conversation with the people at your table.

The Price

The prices at Lynn Table are too high for the quality of food and service that you receive. I paid \$30 for a steak that was overcooked and tough. I also paid \$20 for a chicken dish that was dry and tasteless.

I would not recommend Lynn Table to anyone. There are much better restaurants in the city that offer better food and service for a lower price.

Lynn Table is a new restaurant that has opened up in the city. It has been getting a lot of buzz, but I was very disappointed. The service was terrible, the food was bad, and the atmosphere was not inviting. I would not recommend it to anyone.
