Talia loves to eat. She loves to eat breakfast, lunch, dinner, and snacks. She even loves to eat in between meals. But when it's Yom Kippur, Talia has to fast. She's not allowed to eat or drink anything for 25 hours.

Talia doesn't understand why she has to fast. She's not sick, and she's not in trouble. So why can't she eat?

Talia's parents explain to her that Yom Kippur is a special day for Jews. It's a day to repent for our sins and to ask God for forgiveness. Fasting is one way to show God that we're sorry for the things we've done wrong.

Talia still doesn't really understand, but she decides to try fasting anyway. She knows it will be hard, but she wants to make God happy.

The first few hours of the fast are easy. Talia is busy playing with her friends and doesn't even think about food. But as the day goes on, Talia starts to get hungry. Her stomach growls, and her throat feels dry.

Talia wants to give up, but she remembers why she's fasting. She knows that she's doing it for God, and she doesn't want to let Him down.

So Talia keeps going. She prays and sings songs to pass the time. She also thinks about all the people who are less fortunate than her. She realizes that she's lucky to have food to eat, and she wants to help others who don't.

By the end of the fast, Talia is tired and hungry, but she's also proud of herself. She knows that she's done something good, and she's happy to have made God happy.

Talia and the Very Yum Kippur is a heartwarming story that teaches children about the importance of faith and fasting. Talia is a relatable character who children can easily connect with. She's a good role model for children who are learning about the Jewish faith and traditions.

This book is a valuable resource for parents and educators who want to teach children about Yom Kippur and the importance of giving back to others.
