For years, Amy Suozzi suffered from a debilitating illness that baffled doctors. She was diagnosed with chronic Lyme disease, but the treatments she received only made her symptoms worse. Finally, she found hope in the Coimbra Protocol, a groundbreaking treatment that has helped thousands of people recover from chronic Lyme disease and other tick-borne illnesses.

In this book, Amy shares her story of how she found the Coimbra Protocol and how it changed her life. She provides a detailed account of the treatment process, including the challenges and setbacks she faced along the way. She also offers hope and inspiration to others who are struggling with chronic illness.

The Coimbra Protocol is a safe and effective treatment for chronic Lyme disease and other tick-borne illnesses. It is based on the work of Dr. Coimbra, a Brazilian physician who has dedicated his life to helping people recover from these debilitating diseases.

The Coimbra Protocol is a comprehensive treatment that addresses all of the underlying causes of chronic Lyme disease. It includes antibiotics, antifungals, and other medications to kill the bacteria that cause the disease. It also includes supplements to support the immune system and to help the body detoxify.

The Coimbra Protocol is a challenging treatment, but it is worth it. Amy's story is a testament to the power of the Coimbra Protocol and to the hope that it can offer to people who are struggling with chronic Lyme disease.

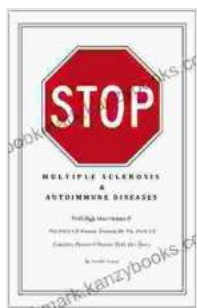

Praise for The First US Patient Treated by the First US Coimbra Protocol Doctor Tells Her Story

"Amy Suozzi's book is a must-read for anyone who is struggling with chronic Lyme disease. Her story is both inspiring and informative, and it provides a valuable resource for people who are looking for hope and healing." - Dr. Richard Horowitz, author of Why Can't I Get Better?

"The Coimbra Protocol is a groundbreaking treatment that has helped thousands of people recover from chronic Lyme disease. Amy Suozzi's book is a valuable resource for people who are considering the Coimbra Protocol or who are already undergoing treatment." - Dr. Joseph Burrascano, Jr., author of The Lyme Disease Solution
